

GELMAN KAZIA

FOUNDER AND MANAGING DIRECTOR

WORK EXPERIENCE

BFG Contractors Ltd *Managing Director*

As Managing Director, I craft and execute the company's strategic vision, overseeing all operational aspects to ensure alignment with our objectives. I led senior management, guide decision-making, and manage financial performance to optimize resources and drive profitability. I implement strategic initiatives that result in significant growth and efficiency improvements. Additionally, I cultivate a strong organizational culture, promoting collaboration and enhancing overall team performance. My role requires a balance of strategic insight and hands-on management to achieve the company's goals effectively.

VKE Group *Site manager*

2023 - 2024

As a Site Manager, I oversaw all aspects of construction projects, ensuring they were completed on time and within budget. I coordinated with subcontractors, suppliers, and team members to manage daily operations and resolve issues promptly. I conducted safety inspections and enforced compliance with health and safety regulations. I managed project schedules, adjusted plans as needed, and communicated regularly with clients and stakeholders to provide updates and address concerns.

VKE Group *Supervisor*

2019 - 2023

As a Supervisor, I managed daily operations and supervised team members to ensure tasks were completed efficiently and accurately. I provided training and support, addressed performance issues, and fostered a productive work environment. I monitored workflows, implemented improvements, and ensured compliance with company policies and safety standards. I coordinated with other departments to meet organizational goals and resolve any operational challenges.

VKE Group *Groundwork, Formwork, Brickwork*

2013 - 2019

I managed groundwork by preparing and leveling construction sites to ensure a solid and stable foundation for further construction. In formwork, I installed and secured molds for concrete, carefully aligning and reinforcing them to achieve the required shape and strength of the structures. For brickwork, I laid bricks with precision and attention to detail, ensuring durability and structural integrity in walls and other components.
